Perhaps daylight saving is responsible for the Detroit Tigers' sad plight. At any rate, the more daylight that is saved the more daylight shows be-tween the Tigers and the America league leaders.

Lee Magee was a failure in the American league last year with St. Louis, so be was shipped to Cincinnati. Dave Shean was a failure in the National league with Cincinnati so he was shipped to the Boston Red Sox. Now both are making good. What is the answer?

Eddie Cicotte is probably watched more closely when working on the mound than any other pitcher in the big show. The alertness of the enemy batsmen is due to a fear that the White Sox veteran may spring some new twister as baffling as was the emery teaser in its day.

Lizzie March and June Eug, the two leaders in the fast pace at the Parkway Driving Club meeting, were bred in Deisware. Lizzie March, the winner in 2.08%, is by Prince March, the sire of R. T.
